CATALOGUE

Our books have been updated as per the recommendations made in the National Education Policy-2020 & NCFSE-2023

Gurukul's Series is a new initiative from Gurukul Publications Pvt. Ltd. Our mission is to have something unique for every child and in the process spread the joy of reading far and wide. Our books cover a range of simple and to the point topics on Hindi, Hindi Vyakaran, English Grammar, Sanskrit, Computer Education, Conversation, Yoga and many more forthcoming.

Books in this series have been recommended by eminent educationalists running reputed and renowned public schools affiliated either by CBSE, ICSE or other states throughout the country.

Our team includes highly professional, qualified and ELT experts. Our team of subject matter experts keeps on doing research oriented work to include the latest changes in a particular subject. The contents provided in the books are thoroughly checked and revised by our experts. Pre-press work is done by an in-house team of illustrators, graphic-designers and typesetters. With newer and technological advancements to change the publishing landscape globally, we have been gearing up to adapt the fast changes being introduced. All our books are presently digitised as well as available in electronic and digital format.
